

**ASSESSMENT REPORT
FOR****Physical Education and
Recreation**

(Instructional Degree Program)

Nov 2002 to Oct 2004

(Assessment Period Covered)

**Bachelor's Degree in Integrated
Studies: Outdoor Leadership
Emphasis**

(Degree Level)

Nov 01, 2002

(Date Submitted)

Mission Linkage:

UVSC Mission Reference: The department of Physical Education and Recreation collaborates to provide students with a wide variety of learning opportunities in the acquisition and enjoyment of specific skills and knowledge within their respective educational and experiential programs. In Recreation, students are trained in content and application in the following areas of study: Principles and Foundations of Recreation, Organizational Concepts in Recreation, Principles in Teaching and Leadership in Recreation.

Goals (refer to Strategic Plan): We will encourage active, experiential learning to engage students in the application of knowledge and help students understand the relevance of that knowledge. (II.1.6)

Intended Educational (Student) Outcomes:

1. Students will gain knowledge and experiential learning in the Principles and Foundations of Recreation.
2. Students will gain knowledge and experiential learning in the Organizational Concepts in Recreation.
3. Students will gain knowledge and experiential learning in the Principles in Teaching and Leadership in Recreation.
